

Western Desert Racers

Hello Off roaders,

Now that the long course season is over all that's left for you die hard racers is the Harvey Short course on 24th November. If you have a car and you need supplementary regulations try logging on to www.offroadoz.net.au or www.westerndesertracers.com . Alternatively if you would like a set posted to you ring us (Jeremy 0411 255 925 or Harleigh 0438 901 757). Entries close 19th November.

Currently WDR are negotiating a lease for the Harvey track. If the lease does not work out this will be the last Harvey Short Course. Those of you who have been talking about having a go, its time to act. We need as much support for the event as possible to show the shire and local residents that this is an event that they should not miss out on!!

If you wish to book local accommodation visit www.harveytourism.com

The 24th is election night so if you think you might be pushing to get to the polling booth on Saturday morning before the race then visit the electoral commission website and get a postal vote application form http://www.aec.gov.au/Elections/federal_elections/2007/pva.htm

If you cant get your car there then please help someone who can. If you haven't been for a while try coming down for the night its well worth a look and its not too far to travel. We would love to see you there. We think a good spectator turnout is a great way for all of us to give our sponsors some exposure and grow our sport on the back of the current momentum.

Thanks

Jeremy & Harleigh

Put it in your calendar or tear this bit off and stick it to the fridge

.....
