Outside servicing: Servicing of a/any competing vehicle during this Off Road event other than in the designated pits is prohibited. This prohibition shall not apply where such servicing;

- (i) is carried out only by crew members of a vehicle which started in the competition, whether it be the vehicle in question or another competing vehicle,
- (ii) uses no parts or equipment other than those which have been carried from the pits in a vehicle which started the event whether it be the vehicle in question or another competing vehicle), or which have been carried from the pits by a crew member of the vehicle in question without any outside assistance,
- (iii) uses articles/material which might normally be found in the region, eg water, fencing wire, string and like, (other than is provided for above this does not apply to automotive components or tools) and/or
- (iv) is rendered by an official recovery crew, with that crew's agreement and takes the form of:
 - (a) towing to the next accessible passage control, or the next recovery point,
 - (b) provision of tools, but NOT parts, and/or
 - (c) provision of water.

In addition, the event director or his delegate may provide written permission for pit crews to provide assistance at a passage control or recovery point, or for crews to be carried from the course to the pits and back again; this permission being valid for one instance only.
